

MACLEOD DISTRICT BRENCHEDED BY HEAVY RAINS

W. H. SHIELD DEFENDS FARMER GOVERNMENT — POINTS TO RECORD—CLAIMS INCREASED EXPENDITURES CAUSED BY INCREASED SERVICES

Orton, June 11.—Last evening W. H. Shield, U.F.A. candidate, spoke at a campaign meeting here in behalf of the present government's cause. Mr. Shield said that if the record of the farmer government could be read by the electorate and compared with old party regime, the government of the farmers would be returned without campaign speeches.

The candidate answered various charges of the opposition, such as the special session indemnity of \$250 and stated that other special sessions of the old parties were held and the members received the full amount of \$2,000 for the special session, and the farmers had passed an act that the members could only get a proportion of the indemnity allowed for a full year's session. In answering the charge of extravagance Mr. Shield pointed out that a deficit of three million dollars was on the books of the government which had to be met when they came into office, also that increased services in some departments over which no government could have control were a heavy cost, and that it was difficult the first year to cut down expenditures, though during the five years controllable expenditures had been cut down—the first time in the history of the province that they had been decreased. School inspection services had been cut down, but services in that department were more efficient now than before, declared the member.

There had been an increase in uncontrollable expenditures of thou-

sands of dollars for hospital grants, mental institutions, mothers' allowances, moving of settlers from the dry areas, seed grain advances, adding the pools, the Lethbridge North irrigation problem and the railway debt. Mr. Shield declared that Mr. Mitchell, a Liberal member of the house, had been urging the government to borrow more money than had been borrowed, and that the Liberals now were using the extravagance weapon on the farmers in the present campaign.

The farmers' government had put into effect a system of cream grading that had brought the butter test of the province from 11 to 38 per cent, first grade butter, also that other provinces and some of the states had copied their example, said the candidate.

Mr. Shield defended the question of natural resources being lost on account of the vote of the farmer members, stating that the wording of a clause was the only point of rejection entering into the question, and that unless an amendment was made to the bill it could be interpreted in a way that the Dominion government could interfere with the provincial school system, a matter declared Mr. Shield, which was a provincial matter of business exclusively. It was the member's opinion that the amendment would be approved of by the Dominion parliament in the next session.

MODERN OPTOMETRICAL SERVICE

Mr. F. H. Wilkins, sight specialist, of Lethbridge, whose opening announcement appears elsewhere in this issue of The Times, has been located in Lethbridge for eight years. Feeling that the residents of Macleod will appreciate a modern optometrical service without having to leave their own town, he has arranged bi-weekly visits to Macleod, Wednesday afternoon of alternate weeks, using a portion of the Rexall Drug Store as his office and headquarters. Macleod is the only town Mr. Wilkins will visit.

RATHWELL NEWS

June 20th, Farmers' Sunday. We hope to see a good company at Rathwell School House at 11 a.m. Preacher—Mr. F. Croston.

A village is a place where people wonder why a man shaved when it isn't his regular day.

KING GOVERNMENT SUSTAINED BY MAJORITY OF SIX AGAINST MOTION OF NON-CONFIDENCE

Ottawa, June 15.—(Canadian Press)—A straight vote of non-confidence in the government was moved in the house this afternoon by Fred Davis, Conservative, Calgary East, on a motion to go into committee of supply.

Mr. Davis moved that: "That Mr. Speaker do not now leave the chair, but that it be resolved that this house, because of failure to implement promises contained in the speech from the throne and for other causes, has no longer confidence in the present government."

The vote was 113 against and 107 for. Government majority, six.

In the divisions two Alberta Progressives voted with the opposition. These were W. T. Lucas of Camrose, and A. M. Boutilier of Vegreville.

NEW SERVICE STATION IS NOW OPEN

The new Speedway Service Station on 24th Street, opposite the Town Hall was opened for business this week.

The new building is a decided asset to the appearance of 24th street.

The building, which is owned and operated by W. O. Hoodless, is built of brick and stone, with large plate glass front, and is on the plan of the latest Service Stations in all the larger cities of the continent. There is an arch driveway where the auto can swing right in to the service station and there obtain gasoline, oils, tires and all motor accessories; on the west side a hose attachment where water is supplied, while free air can be obtained on the east side from the most up-to-date automatic air compressor pump. There are two gas filling pumps of the most modern style, and the front shop is spacious, with concrete floor and well lighted, where is carried a big assortment of everything the touring motorist requires in the way of auto accessories. In the rear is a compact battery service, where every kind of battery can be repaired and charged. On the west side is a large wash room for the convenience of customers. No effort has been spared by Mr. Hoodless to fix the building up in the latest and most modern style, and the work of J. S. Lambert, the contractor, and J. Marlow, who was in charge of the brick and stone work, is creditably done.

Mr. Hoodless is to be congratulated on the new premises as they are undoubtedly a credit to the town and a distinct asset to the appearance of the business part of Macleod.

CHRIST CHURCH (ANGLICAN)

June 20, 3rd Sunday after Trinity Divine Service as follows:—8:00 a.m.—Holy Communion. 11:00 a.m.—Matins and Sermon. 2:30 p.m.—Sunday School. 3:30 p.m.—Holy Baptism. 7:30 p.m.—Evangelism and Sermon. Rev. G. McComas, M.A., Rector.

Headlines deceive you. As a matter of fact, over 75 per cent of the ladies never kill a husband.

An umpire is a man who can make things say: "Go on back, nap; you missed it a mile."

TENDERS FOR ROADWORK

Pursuant to the requirements of the Canada Highway Act, sealed tenders will be received by the undersigned up to 12 o'clock noon standard time of Friday June 25th, 1926, for the following:—

Project 22, Drumheller—Rosedale Highway. Reference—From Sta. 0x00 (E. Bdy. Drumheller) to Sta. 224x74 (Rosedale). Distance 4.25 miles. Gravel Surfacing 1st and 2nd courses. Approximately 6000 cubic yards gravel excavation with 10000 cubic yd. mile haul and other work.

Project 3, Sec. B, Calgary—Glacier Park Main Highway. Reference—From Sta. 0x00 (N. Bdy. McLeod) to Sta. 681x00 (S. Bdy. of Granum). Distance 12.9 miles. Approximately 68000 cubic yards excavation and other work.

The 3626, Pincher—Waterton Road. Reference—From Sta. 0x00 (N. Bdy. Waterton Park) to Sta. 280x72 Distance 5.3 miles. Approximately 28000 cubic yards excavation and other work.

Copies of specifications, plans and profiles may be seen at the office of the following:—

The Highway Commissioner, Parliament Bldg., Edmonton, N. H. Bradley, District Engineer, Lethbridge, Alta. F. J. Graham, District Engineer, Old Court House, Calgary, J. A. McQueen, District Engineer, Hanna, Alta.

The cover of each tender will be marked by the project number and each bid must be accompanied by an accepted cheque for the sum of Five Hundred (\$500.00) Dollars. The successful tenderer will be required to execute a contract bond in the amount of twenty (20%) per cent of the accepted bid.

Tenders will be opened in the presence of bidders at the time above mentioned. The lowest, or any tender, not necessarily accepted.

Deputy Minister of Public Works Edmonton, June 10, 1926.

16-24

All Southwestern Alberta was drenched by splendid rains over the week-end varying from half an inch up to nearly an inch.

Coming on top of the half-inch rain on the Macleod and Alderside subdivisions on Thursday night, the crop situation of a week ago is completely reversed from the rather gloomy outlook.

It was in every way a "million dollar rain" so far as the Southwest was concerned.

Southwestern Alberta was not so fortunate, the rains being considerably less. Very little fell at Bow Island or Lomond, and the sun shone all day Sunday at Medicine Hat while it was raining here.

The Vulcan area, which had been without rain of any consequence prior to the past week, has had over

an inch of rain since Thursday night, and the outlook there now is splendid. This applies generally to the Macleod and Alderside branches. The Pincher Creek area which was also short of moisture, had a drenching rain over Sunday. Cardston had half an inch of rain. The Milk River district got about a quarter of an inch.

The belief is now that the crop can carry along, bringing an average to good harvest if the rainfall during the remainder of June and July approaches the average over the 25-year period.

The whole Macleod district is smiling following heavy rains. Light hail fell here and at Ardenville doing no damage. Over an inch of rain fell south of town, according to reports from McBride's Lake. Good rains fell east and north.

The "ground floor" is the place where the sucker is let in just before the bottom drops out.

Among the world's great reformers is rheumatism.

WESTERN WHEAT ROUTE CHEAPER

Winnipeg, June 10.—Wheat moved via Vancouver port this winter averaged four and three-fourths cents cheaper than the rate would have been for the same cargoes eastward. These figures are established by comparison of railway traffic figures for six months by large exporters on the exchange, who patronize both routes.

This is an improvement for the western route over the finding of the Royal Grain Commission, which showed the Vancouver port could handle grain from same territory in Alberta and Western Saskatchewan three and a half cents cheaper than Fort William. Pool officials are not

turbed and unaccustomed view of the Englishman's back registering pleasure in seats which cost a guinea apiece and which could have been sold a dozen times over before the performance began.

"Zebrugge" will be shown at the Empress Theatre next Tuesday and Wednesday.

FRED THOMSON AND SILVER KING AT THE EMPRESS 3 DAYS NEXT WEEK

"Ridin' the Wind," the new Fred Thomson production made for F. B. O., which will have its local premier at the Empress Theatre next Tuesday, Friday and Saturday, might well be called "Riding the Gale of Mirth," for its laugh producing qualities are such that a pessimist might safely be defined as one who had seen this picture and failed to grieve over it. As vivid as its title, and with the most adroit and amusing situations, the action of "Ridin' the Wind" is as speedy as its name would suggest. Del Andrews has done a corking job of direction, and has got most out of the very comical "boudoir" incidents in which Fred is caught in the widow's room and has to hide for fear of detection. As usual, Silver King, Thomson's Wonder Horse, is a bright particular co-star with his master. Silver does two remarkable things in the latest production, featuring these favorites—he jumps from a moving baggage car with Fred on his back and he returns repeatedly into a burning barn, where the heroine is lying unconscious, eventually leading his master to the girl. It is authoritatively stated that no horse has ever been taught to do this before. Marion Jackson wrote both the original story and the continuity and a fine cast is seen in support.

FAMOUS BRITISH NAVAL FEAT VIVIDLY REPRODUCED TO BE AT THE EMPRESS NEXT TUESDAY AND WEDNESDAY

The British naval raid on Zebrugge, the glorious exploit of the British Navy on St. George's Day, 1918, and the success of which turned the tide on the western front, has been reproduced in moving pictures in a most wonderful way.

The whole story is thrilling from start to finish, permeated with that British spirit that won the war. The story of Zebrugge was reproduced under the guidance of the officers of the British Admiralty, surviving officers and marines, who actually took part in the heroic raid, going through their story again, but this time before the camera.

Some idea of the tremendous task undertaken to put "Zebrugge" on the screen may be gained when it is known that it cost \$2,500,000 to reproduce, and then the Admiralty loaned the ships, etc., so that the British people may get the historic value of the raid.

The whole action at Zebrugge is (Continued On Page Two.)

FLIT—THE HIGH-CLASS INSECTICIDE—KILLS ALL THE INSECTS

"Flit"—the effective insecticide—clears the house in a few minutes of disease-bearing flies and mosquitoes. It is clean, safe and easy to use. "Flit" also destroys bed bugs, roaches and ants. Spray "Flit" on your garments to preserve them from moths. "Flit" does not stain finest fabrics. "Flit" is the result of exhaustive research by expert entomologists and chemists. It is harmless to mankind. "Flit" has replaced old methods because it kills all the insects—and does it quickly. Get a "Flit" can and sprayer at once—sold in Macleod by R. D. McNay, Druggist, and Macleod Supply Grocery.

BRITAIN'S KING AND QUEEN SPEND THEIR FIRST EVENING AT A PICTURE SHOW

The King and Queen just spent their first evening in a picture palace recently. For several years past the Royal Family has interested itself in the movies, and command performances have been given at Balmoral and elsewhere in private rooms specially fitted up for the occasion with a small screen, a portable projector and an orchestra composed of a piano and a few strings. The Prince of Wales has sponsored the British cinema as patron, star and spectator in one. The King and Queen have played their parts in a hundred capitals.

But for the first time their Majesties attended a public performance in a picture-house and sat among the audience in a box cunningly constructed with anterooms and connecting passages from the back rows of the stalls.

A film reproduction of the attack on Zebrugge in 1918, made with great care and vigor by a British company, and fully approved by the Admiralty, was the core of the entertainment, and there followed an animated cartoon of Bonzo, the study dog, and a number of scenes of the arrival of the King and Queen at the theatre just one hour and thirty minutes earlier.

The best seats, according to the custom of the movies, being placed as far as possible from the screen, their Majesties enjoyed for at least one evening of their lives an undis-

puted and unaccustomed view of the Englishman's back registering pleasure in seats which cost a guinea apiece and which could have been sold a dozen times over before the performance began.

"Zebrugge" will be shown at the Empress Theatre next Tuesday and Wednesday.

MRS. FANSET GAVE INTERESTING ADDRESS AT WOMEN'S INSTITUTE MEETING

The monthly meeting of the Women's Institute was held on Tuesday afternoon when a large number of members were present. Mrs. E. Greenwood acting president in the chair. The roll call was answered by "Memory Gems." Current events were very fully reported by Mrs. Sid Baker. A very comprehensive report was given of the empire day celebration by the convenor, Mrs. H. Maltby. The members voted that the celebration had been a very great success in every respect, which by the assistance of the Elks lodge had made it such a wonderful day for the kiddies of Macleod and district. Mrs. M. Hill read an interesting article on "A Convenient Kitchen" which was much appreciated.

The principal item on the program was the report of Mrs. Fanset as delegate to the provincial convention held in Calgary the last week of May. The report was brief and of the important matters which were discussed at the convention. The report stated that Mrs. Beaubien, past president of the W.I., in reply to the addresses of welcome, stressed the necessity for co-operation among the various women's organizations in the province, pointing out that while all might not be attacking the problem from the same angle, all were striving for the same ends, the betterment of women and children. The report referred at considerable length to the address of the Hon. Geo. Hoadley, minister of agriculture and health, who told the convention what the government was doing for the old people of the province, by turning over to the Salvation Army the former agricultural college at Gleichen, for an "Eventide Home" which would be a home in the best sense of the word, also he announced new additions to the mental hospital at Red Deer, to accommodate forty more patients. Mrs. Fanset also gave a full outline of the addresses of Mr. Norman Ross, Indian Head Dominion experimental farm, on tree planting on the prairie, Mrs. Nellie McClung on Canada's problems, Miss Dickie on books every young person should read and she referred very fully to one of the important addresses of the convention, that by Magistrate Emily Murphy, Edmonton, on "Albion's Mental Hospitals," who stated that at present Alberta is caring for 1,500 insane and feeble minded, more than the patients in all the general hospitals in the province, and the numbers have doubled in five years. These facts showed, she stated, that we urgently need a psychopathic or receiving ward where patients could be taken for treatment which perhaps would remove the necessity of sending them to Ponoka.

Mrs. Fanset was heartily thanked for her very full and interesting report, which was much enjoyed by all present. Miss Marjory Ringland, who had been in charge of the refreshments at the close.

INCOME TAX CHANGE IS GIVEN APPROVAL

Ottawa, June 11.—Income tax changes announced in the budget were given their final approval by the house last night, with one amendment. This was a substitute clause touching on personal corporation proposed by G. H. Boivin, minister of customs. The new clause adds: "Dividends actually declared by a personal corporation after December 31, 1924, shall be deemed to be paid out of income earned after said December 31, 1924, so far as the same is available and to that extent shall not be liable to further taxation in the hands of shareholders."

In future, Mr. Boivin explained, no matter what the surplus might be, the entire earnings of the corporation would be taxed as personal income for the year.

ST. ANDREW'S PRESBYTERIAN CHURCH

Rev. A. C. Wishart, minister. Sunday: June 20th. 11 a.m.—"A Bride and a Spur" Or Christ's Methods of Dealing With Prospective Disciples." 7:30 p.m.—"The Rich Young Ruler."

S.S. and Young Men's Bible class at the close of the morning service. Ladies' Aid—Monday at 3 o'clock in the church Annex. The Young Peoples Society will meet at the Manse Monday at 8 p.m. Prayer meeting on Wednesday evening at 8 o'clock.

A cordial welcome to the services especially to those who have no church home.

Mr. D. W. Munro, student missionary, will conduct the following services: Sunday—June 20th. Stand Off at 11 a.m. Hazelmead at 3 p.m.

Sunday—June 27th. Ardenville at 7:30 p.m. Spring Point at 11 a.m. Olsen Creek at 3 p.m. A cordial invitation is extended to all to attend these services.

AUCTIONEERING

Joseph Hicks announces that he has taken out an auctioneer's license, and is open for engagements in Auctioneering.—Right Prices and Efficient Service. Patronage solicited.

MCDONALD'S MEETINGS ARE WELL ATTENDED

One of the most successful meetings of the political campaign was held at Eweline in support of J. W. McDonald's candidature. The meeting was largely attended and an interested audience listened attentively to the addresses of Dr. O. Fanset, J. Hicks and J. W. McDonald, who in their several addresses criticized the present administration of the U. F. A. Government.

At a well attended meeting at Rose Butte Mr. I. G. McDermott, of Coalhurst, well known irrigation specialist, spoke in support of J. W. McDonald on Tuesday evening, and also at the Finley school house on Wednesday evening. Mr. McDermott was followed by Mr. J. W. McDonald, and both of these speakers were given a good reception at the meetings. Mr. McDermott, who is a very convincing talker, clearly showed the faults of the U. F. A. Government in their bungling of the Lethbridge Northern Irrigation Project.

Capt. J. T. Shaw, leader of the Liberal party, and one of the best platform speakers in Alberta, will address a meeting at the Empress Theatre in Macleod on Monday evening next. In the afternoon Premier Brownlee will speak in support of the U. F. A. Government.

So far heavy artillery has been fired by Robert Patterson, the Conservative candidate, but it is expected that a program of meetings will be arranged this week.

WEEKLY GOLF TOURNAMENT

The weekly tournament played over the course of The Macleod Golf Club on Wednesday evening, the teams of Messrs Morrow and Frey resulted in the following scores—First two players Morrow and latter two Frey:—

Kennedy (Dr.) and MacDonald, Mrs. A. M. O.; Pringle, Jno. and Ferguson, Miss E. I.

McGladery, C. P. and Christenson, Mrs. O.; Turnbull, T. and Murdoch, Mrs. J.

Nelson, R. and Scott, Miss 14; Huntley, L. D. and McLaren, Miss 12.

Marks, J. T. and McHattie, Miss 1; Christenson, M. and Demaree, Miss O.

Polkowski, C. and Young, Mrs. 1; Elder, (Dr.) and McLeod, Miss O.; Ridley, J. K. and McCartin, Miss 1; Mercer, C. A. and Skelding, Geo. O.

Bremner, T. and Watchorn, Mrs. O.; Charlton, E. and Graham, Mrs. 1; Leather, A. T. and Anderson, Miss O.; Campbell, C. and Atkinson, Miss 1.

Morrow, A. and Reid, Mrs. 1; Frey, F. B. and Huntley, Mrs. O. Scores—Tied—4½ each. Mrs. Crooks and Miss Hicks were the hostesses at the Club House.

IMPORTANT NOTICE RE DEPARTMENTAL EXAMINATIONS

Owing to the fact that rural schools will be required for polling places on June 28th, the date of the provincial elections, the dates of the Departmental Examinations have been altered as indicated on the enclosed copy of the Revised Time Table.

Your attention is drawn to the fact that the examinations set for Saturday, the 26th; Tuesday, the 29th; and Wednesday, the 30th, remain as previously announced; those set for Monday, June 28th, will be held on Friday, June 25th, while those set for other dates will be held one day earlier, at the hour previously announced.

Your obedient servant, SGT. H. J. SPICER Registrar.

COMING EVENTS FORESHADOWED

CAPT. J. T. SHAW AT MACLEOD MONDAY EVENING, JUNE 21st

Big Rally Meeting in support of J. W. McDonald's candidature at the Empress Theatre on Monday evening, June 21st at 8 p.m. Speaking on behalf of Mayor McDonald will be Capt. J. T. Shaw, leader of the Liberal party, and looked upon as one of the ablest platform men in the province. Ladies cordially invited.

Miss Clutton, of Edmonton, will give a demonstration and lecture on cooking, in the Parish Hall, Wednesday afternoon, June 23rd, at 2 o'clock. Miss Clutton is sent by the Women's Home Bureau Service of Alberta, and the lecture is given under the auspices of the Women's Institute. All women in the district are cordially invited to attend. There will be no collection or admission charge.

The Catholic Women's League will hold an Afternoon Tea and Sale of Home Cooking in the Town Hall on Saturday, June 26th, from 3 to 6. Admission 50c.

The Scarlet and Gold Club will hold a Dance in the Hudson's Bay Hall on Saturday, June 26th. Dancing at 9 o'clock. Admission 50c.

The girls of the Scarlet and Gold Club will give an Afternoon Tea in the Town Hall on Saturday, June 19th from 4 to 7 o'clock.

Don't forget the big sale of used cars at Co-Operative Garage Saturday, June 19, at 2 p.m. sharp. Bargains at this sale.

AMERICAN LABOR SECRETARY WOULD BAR CANADIANS UNDER ONE GENERAL QUOTA RULING

Canton, Ohio, June 12.—Extension of immigration quotas to all countries now exempt under the law was prescribed as one of the aids to United States labor today by James J. Davis, secretary of labor, speaking at the convention of the National Brotherhood of Operative Potters here today.

Mr. Davis said that by failing to impose quota restrictions on native-born Canadians, Mexicans and immigrants from central and south America, the United States had made the mistake of "leaving the back door to our country open after closing the front door."

(Senator Borah has introduced a resolution in the U.S. senate to impose quota restrictions on people of the northern hemisphere, but indications are that no action will be taken this session. Similar proposals heretofore have been blocked.)

"The fruit of this mistaken policy is already visible," Secretary Davis continued. "Evasions and violations of the law are frequent. The alien smuggler, like the bootlegger of liquor, has become an institution. Not only does he smuggle in aliens who have no legal right to be here, but he engages in those other illicit traffics, alcohol and narcotics."

"The only way to get rid of him and with him the alien who makes use of our back door to effect entry into the United States, is to extend our immigration policy to all countries which are now exempt from it."

Touching on the protective tariff, he held that "we need protection today more than ever before in our history."

"It is not more cheap labor that is needed, but more labor-saving machinery," he said.

CANADA'S NEW VICEROY TO LAND VANCOUVER JUNE 30

Vancouver, June 12.—Word was received in Vancouver this morning that Lord Willingdon, Canada's governor-general-elect, will arrive here June 30, on board the Empress of Australia.

Lord Willingdon, who will return to England for a short stay before taking up his official duties in Canada, will join the ship at Yokohama. His longship headed the recent Boxer indemnity mission to China and is expected to give his official report to the British foreign office in London some time during July.

AMERICAN LABOR SECRETARY WOULD BAR CANADIANS UNDER ONE GENERAL QUOTA RULING

Canton, Ohio, June 12.—Extension of immigration quotas to all countries now exempt under the law was prescribed as one of the aids to United States labor today by James J. Davis, secretary of labor, speaking at the convention of the National Brotherhood of Operative Potters here today.

POLICY OF THE MACLEOD TIMES

The editorial policy of the Macleod Times during this provincial election (or future ones during such time as Macleod has but one newspaper), is and will be to take a strictly neutral stand regarding politics.

The personnel of The Times' business patronage is divided on political questions—some favoring one school of politics—some another—and the management of this paper does not believe it would be fair to exploit the views of one portion of the patrons and supporters of this paper at the expense of the other portion.

The Times bespeaks the thoughtful consideration of its readers in perusing the arguments and statements of all factions when presented in this paper with a view to making an intelligent decision at the polls in the coming election in the best interests of this district and of the province.

Articles which may appear under the editorial caption of The Times on this page during this election and voicing political opinion will not have emanated from the editor of The Times but directly from the representative of one or the other of the political organizations embattled in this election campaign.

Space in The Times' editorial columns is available by either candidate for election in Macleod Provincial Constituency.

"A FEW FACTS"

Under this heading in last week's issue of this paper we find this statement:—

"Upon examination we find that in 1921 when this Government took office there was collected for provincial purposes \$8,486,946, or an average per head of \$11.60."

What are the FACTS?

Provincial Treasurer Mitchell in presenting the Budget of 1921 to the House spoke as follows: "The total ordinary revenue for the year 1921 is estimated at \$12,778,879, and the total current expenditure at \$12,736,294, so that it will be seen that both our revenue and expenditures are each about \$2,000,000 in excess of the year 1920."

The actual current expenditure for 1921 was	\$10,605,155.91
The actual current revenue for 1921 was	\$ 8,486,946.25
Deficit, 1921..	\$ 2,118,209.66

It will readily be seen from these statements that what the Liberal party is priding themselves upon is the fact that they had a deficit, for otherwise the per capita collections of 1921 would be \$17.00. Why was it necessary to collect an additional \$2.00 per capita in 1925?

Because the annual charges created by the Capital borrowings of 1921 exclusive of Telephone debt were as follows:

Debt interest	\$ 892,270.32
University Bond interest	\$ 54,527.08
Sinking Fund payment	\$ 40,994.00
Total	\$ 987,791.40

A comparison of 1921 and 1925 expenditures with the Debt charges added (incurred during each year) is as follows:

	1921	1925
Current expenditure	\$10,605,155	\$11,343,006
Interest, etc. incurred	987,791	168,364
Total	\$11,592,947	\$11,511,370

This table proves that the present

Government was required to find in 1922 and succeeding years \$11,592,947 if expenditures were to be maintained on the 1921 scale, even if there were no further increases. But funds must also be found to meet charges on new Debt for natural growth of services and for new services undertaken. How has this been accomplished and expenditures kept well below the 1921 scale? By a saving in controllable expenditures of \$1,179,394.

Criticism is made of the increase in public debt. This Government has repeatedly challenged their opponents to name one specific item of capital expenditure that they think should not have been undertaken. Neither in the House nor out of it has this challenge been accepted. During the five years of office there has never been an objection voiced from any part of the House to any capital expenditure. On the contrary, the Government has had to turn down demands for expenditures for various purposes that if accepted would have involved the Province in millions of additional debt.

The same factors necessitating heavy borrowings in 1920 and 1921 were operating in 1922 and succeeding years, and whatever Government had been in power would have been obliged to meet these demands.

Speaking on this very question on March 18th, 1920, Mr. Mitchell said: "I am not taking a pessimistic view of these matters, but I realize that certain things must be done, and no matter what Government is in power, they will have to carry them on. They will not do so because they are obliged to, but because they are necessary for the country's good. THAT is the reason we have these added expenditures looming up in the future."
 (Sgd.) W. H. Shield.

THE REAL ISSUE

Five years ago the people of Alberta placed themselves on record as being opposed to a system of government in which candidates were nominated and campaigned were financed secretly by unknown interests who expected to gain materially through the election of their candidates and party to power.

The old parties were always under obligation, first, secretly to those who financed them to power and lastly to the electorate and especially to the producing classes. This was believed five years ago, not only by the farmers but by hundreds in our cities and towns, and they said so in no uncertain terms when they took the radical measures of electing the present government to power with an overwhelming majority.

People sometimes expect the millennium as the result of such tactics. These simple hearted, honest men, untrained in the arts of politics, were expected, not only to revolutionize the deeply involved conditions of the province, but to readjust world markets, and even gain full control of the weather, so to guarantee every citizen of the province an immediate fortune, and we hear great wailing throughout the land because these things were not done.

The Farmers' government is far from ideal. The existence of the old party in the House and the party system in our constitution makes it a farmer's party in spite of itself. It is only a step in the right direction and the only step that can be taken immediately to rid the country of the old shackles of partyism. The question which the people of the province have to settle in this election is as to whether they are going to still declare themselves for further advance, or because the impossible has not transpired, to flop back into the old party mess, playing again into the hands of intriguers, who, through the manipulation of party machinery hope to regain their old advantage over the electorate.

It will be noticed that the old-line parties are bringing forward a high type of men for election and even claiming relations with the progressive movement. In this they pay the highest tribute to the farmers' government and are answering the mandate of five years ago when the people said "None other need apply." This is the bait by which they hope to regain lost ground.

Nothing is ever gained by reaction. It only sets back the hands of the clock and so endangers democracy. Did you mean what you said five years ago? then reaffirm your resolution with increased emphasis by saying it again on the 28th day of June. The real fight is a fight between systems. Are we to move backward or forward? Are we to have reaction or progress? That is the great issue which the people are going to decide.

A LIBERAL PAPER'S OPINION

Two of the best representatives Southern Alberta has had since Edmonton have been W. H. Shield of Macleod, and E. G. Cook of Pincher Creek. We do not agree with their plan of organizing the people of Alberta into occupational groups for political purposes, but these two men have tried to serve their constituencies well. The member for Macleod in particular has a vision of what the development of Southern Alberta should be, and that's more than can be said of a good many of the private members on the Government side, and of a good many of the members of the Government itself.—Lethbridge Herald.

OLD AGE PENSIONS

Rejection of the Old Age Pensions Bill by the Canadian Senate simply drives another spike into the coffin of that venerable and sometimes venomous body.

The Old Age Pensions Bill is not a political measure. It is not something that will stir up partisan passions or party excitement. But it is something that appeals very strongly to the very deepest sentiments of a people who are fundamentally devoted to the obligations of decent civilization.

The necessity for providing for old age is one of the most powerful stimuli in urging a young man to hard work. It would be a very great misfortune if any legislation by guaranteeing ease to prodigal old age, were to remove that stimulus.

But the Old Age Pension plan does not remove it. There is still sufficient of a line between self and state-supported old age to make the former well worth working for.

And in any case there are thousands who are frankly not fitted by nature to lay by the pile for self-support when the capacity for work has gone.

The nation that does not provide for its helpless members cannot lay claim to the finer aspects of civilization. So the Old Age Pensions Bill goes deeper into the consciousness of the Canadian people than any bill with mere political or economic significance. The Senate, in its capacity for legislative blood, is huming on very dangerous ground.

HATS OR BRAINS?

Yesterday at high noon Mrs. Bertha K. Landes, duly elected mayor of Seattle, walked to her new desk, swept aside the piles of flowers and began the administration of one of the chief cities on the Pacific Coast and what is destined to be one of the chief cities in the world.

Observant reporters wrote for their newspapers that Mrs. Landes wore a "big, droopy hat faced with smart coral sands," a "gown of midnight blue crepe with embroidered panels of red, blue and silver." Before very long they will be writing, not about that big, droopy hat, but about what is under that big, droopy hat. It is far for even newspapermen to forget the conception of woman as an ornament and think of her in terms of intellectual utility.

Many centuries of merely looking pretty has put a devastating mental inhibition even on woman herself. There are thousands of women with brains enough to run cities, even govern nations, but who sit home frittering away their intelligence on a pair of useless soap simply because of the tradition of woman's mental inferiority.

No matter how complex and de-

manding a science housekeeping may become, there is no greater waste in the world than the mental waste which follows the tradition that some women should not devote their brains to public life. Examples like that of Mrs. Landes are slowly but happily destroying that tradition.

Magazine editors don't last long; and if the stuff they read and reject is worse than that they accept, it's no wonder.

No man is a complete failure until he delights to think his virtue is what keeps him poor.

A FRIEND FOUND ON A MOON-LIT NIGHT

The petals of hawthorn flowers. In the clear, cold nights of spring. Are captured fragments of moonlight. And silver bells that ring. At night the petals scattered, I slept on unaware. Till a swift wind tore my window. And I found the petals there.

Captured fragments of moonlight. Silver bells that ring. The petals of hawthorn flowers. The clear, cold nights of spring. —Dorothy Rowe.

Reduced Railway Fares

Reduced railway fare tickets from stations in Western Canada will be placed on sale June 16th to 22nd, bearing a final return limit to July 2nd, 1926. These tickets will be honored on regular or Special trains.

The Canadian Pacific are in a position to make hotel reservations in Chicago, whereby passengers may complete every detail of their arrangements prior to departure. As thousands will attend this event, those who intend making the trip should communicate as early as possible with the Ticket Agent in order that desired accommodation may be secured.

The way to treat spring fever is to elevate the feet, place them on a flat surface, such as a desk, close the eyes, open the mouth, and say "z-z-z."

An old-timer is one who can remember when a business capitalized at one hundred thousand was a sinister influence.

One explanation of crime may be too little hanging and too much hanging fire.

It's a little too early for picnics. There are no ants to mix with the butter.

Vote Out the Party System!

What caused the organized farmers to enter the political field, and with the consent of the electorate, to take over the reins of government in Alberta five years ago? Principally, the cynical disregard of the needs of Western Canada's greatest industry by party politicians, and the failure of the party government formerly in power to provide clean and efficient administration.

Every other business and industry in Alberta is organized, and uses all the political pressure it can bring to bear to have its wishes passed into law. During the last session of the Alberta Legislature, deputations representing organizations of manufacturers, labor unions, doctors, lawyers, dentists, livestock dealers, etc., put their views before the members of the house. This is right and proper, but why are the farmers denounced for organizing for the purpose of securing representation in the House? The reason is that the U.F.A. interferes with the working of the party system.

Alberta is primarily an agricultural province. Legislative action is required to secure lower freight rates, encourage efficient marketing, build better roads, and generally secure the welfare and prosperity of the farming community.

The party system would not be alive today but for the nucleus of city politicians who revive it at every election. Hundreds of city orators are speaking in every part of Alberta during this election, endeavoring to divide the farmers into opposing groups. The overtures made for a business government, with city representatives co-operating with rural members on non-party lines, have been rejected, except by labor.

Party System Inefficient

The party system has proved inefficient in administration as compared with the co-operative system. Here are some additional comparative figures:

Land Titles Office Costs, 1921, \$241,909, 1925, \$156,753; Election Costs, 1921 \$248,000, 1923 Plebiscite, \$133,000; Estimated Election Costs, 1926, \$130,000. Reductions in controllable expenditures, 1921 to 1924 inclusive, Alberta 14 per cent; Saskatchewan, 12 per cent; Manitoba \$1-2 per cent. Increases in all other provinces. Agricultural Education, 1921, 320 students; 1925, 360 students, \$103,000. Many other instances can be given.

The U.F.A. are expending a considerable sum in advertising through the weekly press, the funds for this being contributed by the membership, so that the electors may know the truth. The city newspapers are endeavoring to perpetuate the party system.

A VOTE FOR A U.F.A. CANDIDATE IS A VOTE FOR EFFICIENT AND IMPARTIAL ADMINISTRATION.

Issued by the U. F. A. Publicity Committee, Calgary

Voters Attention!

Directions as to the use of Preferential Ballot

The preferential ballot will come into general use for the first time in the forthcoming provincial elections. Every voter should be thoroughly conversant with the method of marking the ballot before attempting to vote. Read these instructions:

The voter must not use the X mark.

The voter must place the figure 1 opposite the name of the candidate who is his first choice, the figure 2 opposite his second choice, the figure 3 opposite his third choice and so on until he has voted for all the candidates on the ballot if he so wishes.

The voter may plump for one candidate alone, using the figure 1, without spoiling his ballot, but is urged to vote to the full extent of his choices, as it is only by doing this that the voter obtains the full benefit of this form of ballot.

The voter must not place more than one choice opposite any one candidate.

The voter must not make the same choice for more than one candidate.

The voter must not make any mark on the ballot not authorized by these directions.

Read these Instructions Carefully

JOHN D. HUNT,
Clerk of the Executive Council.
Government of Alberta.

CAPITAL GOSSIP AND PROV. NEWS

Tourist Traffic is Heavy
Tourist traffic into Alberta mountain resorts has been very heavy for the month of May and the first part of June. The perfect condition

of the Calgary-Banff Highway, which was completed as a permanent highway by the provincial government last year, has been responsible for practically doubling the early season traffic into Banff and Lake Louise. The total number of cars passing through the Kananaskis gate during May was 4,086, compared with 2,181 the same

SUPER SPECIAL AT THE EMPRESS NEXT TUES. AND WED.

month last year. A new record for three days was established when, over the Victoria Day week end, 1,937 cars passed through the gate, an increase of 712 cars over the previous three-day record.

Expect 15,000 Visitors
More than 15,000 visitors are expected at Camrose during the four-day celebration by the Norse Society of Canada, in the first week in July, when Norsemen from all over the dominion and from parts of the United States will gather. A special provincial exhibit of agricultural products will be displayed during the celebration by the provincial department of agriculture.

Big Area Filled On
A total of 80,000 acres in oil leases have been filed on during the last week in the vicinity of Foremost, southeast of Lethbridge, where large gas deposits have been located. Drilling for oil will be undertaken by the syndicate filing on the leases.

U.S. Editors Visit Province
A party of editors of daily and weekly newspapers from Michigan and Minnesota, were visitors to the province during the past week. They were members of the Inland Press Association and Graphic Arts Guild, and spent a day in Edmonton and Jasper Park.

Plan Gasoline Extraction Plant
Plans for the establishment of a large gasoline extraction plant at Wainwright oil fields are being made by a Los Angeles firm, who may eventually spend \$100,000 in the plant. Thorough tests of the Wainwright gas for extraction purposes are being made.

LAUREL CHAPTER O.E.S., LETHBRIDGE, VISITS MACLEOD

Thursday evening of last week about 40 officers and members of the Laurel Chapter, O.E.S., Lethbridge, paid a fraternal visit to Fort Macleod Chapter No. 53, when a large number of the members were present to receive and welcome the visitors. After the routine business of the chapter was completed, the officers and degree team of Laurel chapter exemplified the beautiful degree work of the order, which was very much enjoyed and appreciated by the members of the local chapter.

Two interesting presentations were made during the evening, first, Mrs. W. A. Gordon, Past Worthy Matron of Fort Macleod Chapter, was presented with the certificate of Grand Electa, of the Grand Chapter of Alberta, the honor being conferred on account of her being the first Worthy Matron of Fort Macleod Chapter. Afterwards Mrs. R. D. McNay, on behalf of the members of the chapter, presented Mrs. R. W. Russell with a handsome set

Clean to handle. Sold by all Druggists, Grocers and General Stores

of maderia serviettes, as a token of esteem and appreciation of her work in the chapter since its organization, on the occasion of her leaving Macleod. In accepting the gift, Mrs. Russell spoke of her regret at leaving the chapter, and assured the members that she would always look back with pleasure to the happy meetings they had had together in that hall, and the many friends she had in Fort Macleod Chapter.

DEDICATION OF THE R. C. MISSION AT BLOOD RESERVE

His Lordship Bishop Kidd, of Calgary, officiated at the dedication of the R. C. Mission Church on the Blood Reserve on Sunday last. The Rev. Donald A. Gillen, who was ordained as Priest of the R. C. Church at Edmonton some two weeks ago, offered up his first Holy Mass at this very impressive service. A large number of people from Macleod and other points were in attendance.

The Rev. D. A. Gillen is a son of Mr. Dan Gillen, well known farmer of Waterton, and studied for the priesthood at St. John's College, Edmonton.

At the conclusion of the dedication service a reception and banquet was held at the new Indian School, in honor of the opening of the mission and school. Bishop Kidd and the Rev. Gillen were the guests of honor. Amongst those in attendance were Dan Gillen, F. P. Walsh, Alex Gillen, J. P. Maloney and P. Maloney. The Rev. Father Doucet, one of the pioneer missionaries of the west, and a friend of the late Rev. Father Lacombe, was also in attendance, this year being the fifty-second year of the venerable Father's service amongst the Indians of the west, and today he is the oldest living missionary in Canada.

The new mission is a beautiful structure of brick and stone and is fitted with all the latest improvements such as electric light, hot and cold water system, and is heated throughout with steam. The big class rooms and dormitories will accommodate over one hundred and fifty pupils, while in addition to this is a big auditorium. The girls quarters are on the south end of the building, while the boys are in the north end, and the centre is set off as staff quarters. The new church, which is situated a short distance from the school, is a very handsome building and will accommodate a large congregation. The new school, which is under the principalship of the Rev. Father Ruau, who has been in charge of the old school for the past fifteen years, cost in the neighbourhood of one hundred and fifty thousand dollars.

The principal, who is beloved by all the Indians, and who has done much splendid work during his regime of office on the Blood Reserve, took a keen delight in piloting his visitors through the new palatial buildings, and needless to say the visitors were loud in their praises of the School and Mission.

Man's inhumanity to man makes a man succeed. It may be desperation and the stark

MEETING OF JUBILER CITY GIRLS' CLUB

The regular meeting of the Jubiler City Girls' Club was held at the home of Mrs. Perry on June 12th, at 2:30 p.m.

In the absence of Hope Dillingham—Gladys Cooney took the chair. The meeting opened by singing the flag and singing "O Canada," followed by Girls' Club Code. The secretary then read the minutes of the last meeting. The Roll call was answered by favorite authors. It was decided not to send a delegate to Jasper Park this year. Arrangements were made to hold a Garden Party on July 27th, 1926, and different conveners were chosen.

BRAZIL QUITS LEAGUE—SEVERE BLOW TO PEACE BODY THROUGH ACTION OF SOUTH AMERICAN NATION

Geneva, June 14.—Brazil has resigned from the League of Nations. Notification of this step was received by a cable today from Foreign Minister Pacheco at Rio Janeiro, and created consternation in league circles.

The withdrawal follows her earlier act in resigning from the league council because of the refusal of the powers to grant her a permanent seat simultaneously with Germany who was promised one at the Locarno conference.

League officials still doggedly hope that the entrance of the Brazilian president, Washington Luis, this fall, may bring a change in the Rio government's league policy as carried on by President Bernardes and his foreign minister, Senor Pacheco.

Although she has resigned, Brazil remains a member by virtue of the covenant for two years from the time the message was sent.

Brazil's resignation, which reached Secretary General Sir Eric Drummond today in the form of a cable message from Felix Pacheco, Brazilian foreign minister, says:

"In a statement of reasons sent to Ambassador Mello Franco and already published by the League of Nations and communicated to all its members, Brazil resigns her place as a temporary member of the council.

"This statement of the Brazilian position said at the end that Brazil awaited the opportunity to complete her act by declining the honor to be a member of the league.

"Having just received notice of the convocation of the September assembly at which she can not be represented, Brazil feels it her duty to declare that this circumstance imposes the necessity to formulate now (and she does formulate it) by the present communication) her

Are you being bored to death?

MOSQUITO torture is quickly ended if you keep a can of Flit handy.

Flit spray clears your home in a few minutes of disease-bearing flies and mosquitoes. It is clean, safe and easy to use.

Kills All Household Insects

Flit spray also destroys bed bugs, roaches and ants. It searches out the cracks and crevices where they hide and breed, and destroys insects and their eggs. Spray Flit on your garments. Flit kills moths and their larvae which eat holes. Extensive tests showed that Flit spray did not stain the most delicate fabrics.

Flit is the result of exhaustive research by expert entomologists and chemists. It is harmless to mankind. Flit has replaced the old methods because it kills all the insects—and does it quickly. Get a Flit can and sprayer today.

STANDARD OIL CO. (NEW JERSEY)
Distributed in Canada by Fred J. Whitlow & Co., Toronto.

resolution to withdraw from the league, this dispatch to be considered as the notice prescribed by the latter part of article I of the covenant.

"I take the opportunity to reiterate assurance of my high consideration."

Brazil now is in the same position as Costa Rica, who gave notice of her resignation in December, 1924 and thus is entitled to withdraw legally next December. Departure of Costa Rica and Brazil reduces the league membership to 53 states.

It is thought by some that Argentina will now play a leading role in Geneva in place of Brazil.

Stomach So Bad Can't Eat Even Fruit

"For years was badly constipated and troubled with gas after eating. Could not eat fruit and many other things. Adierka has done me good—can now eat anything." (signed) W. H. Fletcher. Adierka removes GAS and often brings astonishing relief to the stomach. Brings out a surprising amount of old waste matter you never thought was in the system. Stops that full bloated feeling and makes you enjoy eating. Excellent for chronic constipation.—The Rexall Drug Store, Macleod.

93rd FIELD BATTERY C.A. ORDERS

The battery will go to camp this year on July 23rd. Camp to last 8 days, with three days training with pay before proceeding to camp. Although able to draw men from Lethbridge and Calgary it is hoped to get enough men from Macleod to make the required complement.

The first parade will be at the Armouries at 8:00 p.m. Tuesday, June 22nd. Uniforms will be issued in the near future to those going to camp. Come to camp with us and have a holiday with pay and a pleasant camping out. If enough interest is shown a battery rifle association will be started and a rifle range arranged for.

Those attending parades will have a better idea of what to do when in camp, and will find it a great help—so if you can't attend all, attend what you can. Two parades will equal one day's pay up to three days.

R. G. McLean, Capt.,
Officer Commanding.

PUBLIC MEETING

PREMIER J. E. BROWNLEE

WILL ADDRESS A PUBLIC MEETING IN THE

EMPRESS THEATRE

ON MONDAY AFTERNOON

JUNE 21st, 1926

MEETING COMMENCES AT 2:30 O'CLOCK

EMPRESS FRIDAY - SATURDAY

Twelve Reasons For Electing Liberals

1. The Liberal Party stands for a more business-like administration of Alberta affairs. The present government is without business ministers, without business experience and has been without business success. It is a Class Government which is divorced from business entirely.

2. It stands for greater economy in administration. The present government has increased the debt of the province in five years by \$22,000,000, with nothing permanent to show for it. It has been more extravagant than any previous administration, or any other in Canada.

3. It stands for more progressive administration. The present government has nothing to show for its five years of office. It has passed no constructive legislation. It has delayed all the serious problems.

4. It stands for more active development of the unsettled areas. The present government has made no advance since it took office.

5. It stands for better development of agriculture. Capt. Shaw objects to bringing the pools into politics, but his record as a member in Ottawa shows his enthusiasm for co-operative marketing, his vigor for cheaper transportation rates, his insistence on the removal of all the burdens which have been preventing development.

6. It stands for better educational facilities. The present government has been sacrificing education and burdening the department with useless educational fads.

7. It stands for better health organization and encouragement for hospitals. There has been no development in the health department since 1921.

8. It stands for honest and efficient administration. A fair distribution of the expenditure on public works.

9. It stands for honest distribution of the province into ridings.

10. It stands for justice to the returned man in the province.

11. The record of the Liberal party has been one of development and progress. It has to its credit:

1. The settlement of the province.
2. The organization into municipalities.
3. The destruction of railway, lumber and telephone monopolies which threatened its destruction in early days.
4. Farmer legislation such as co-operative elevator act, the farm machinery act, direct legislation.
5. The beginning of labor legislation, which has remained unimproved. This includes the Factory act, the Workmen's Compensation act and other similar legislation.
6. The development of the vast Peace River area.
7. The organization of schools, the creation of the Provincial University, the Institute of Technology and Art and the Farm Schools.
8. Franchise for women and all legislation safeguarding the rights of women.
9. Hospital legislation and all progressive health legislation.
10. Soldier relief legislation.

12. It has at its head a man who has wide experience in legislation, who has at his back outstanding representatives, not of one class alone, but of all classes in the province—farmers, labor men, business men and professional men.

LOCAL AND PERSONAL NEWS

Mr. and Mrs. Hetherington, of Calgary, are the guests of Mr. and Mrs. T. Stockton.

Miss C. M. Pyke, of Red Deer, spent the first part of the week at the Rectory, the guest of the Rev. G. and Mrs. McComas.

Wednesday night at Claresholm the Macleod Base Ball Team played the Claresholm team a game resulting in a score of 4-3 in favor of Claresholm.

John McMurchie returned on Wednesday morning from Montreal, where he was attending the Assembly of the Presbyterian Church, which was held in that city in the early part of this month.

The Lethbridge Board of Trade in a letter to Mayor J. W. McDonald has extended an invitation to the mayor and residents of Macleod to visit Lethbridge during their exhibition, June 30th to July 3rd, and during that time to utilize the offices of the Lethbridge Board of Trade as headquarters. The invitation carries assurances of a warm welcome to those of Macleod visiting Lethbridge Exhibition.

Word has been received that a patent has been issued to A. F. Grady, Macleod, and his associates that stays put. The whole thing is for a safety lock nut and bolt, one a very simple make up, and is considered by Machinists and Railway men to be just what is wanted in the line of a stay-on nut. Offers have been received for this patent, and some large manufacturers are now considering the purchase of the rights for this important patent.

with a view to placing the invention on the market.

Mr. and Mrs. R. W. Russell left on Monday to visit friends in Minneapolis and Chicago.

D. McLean and Miss Marcellus, of Pincher Creek, were week-end visitors with Mr. and Mrs. J. McMurchie.

Dr. Elmslie Gardiner, has been fortunate in securing an appointment in the Laboratory of the Standard Oil Co. at Berkeley, California. Dr. Gardiner was also offered a position on the staff of Manitoba College Winnipeg, but he prefers the commercial work to lecturing in college.

Another rain Thursday afternoon drenched the south part of Macleod district when it is estimated that over an inch of rain fell in a short space of time. The crops are now assured, as the early sown have sufficient moisture and many acres of oats for feed are now being sown. The hay crop, which was short, is shooting up fast, and will be a fair crop.

A rather painful accident befell Master Joe Van Tol, young son of Mr. and Mrs. Henry Van Tol, of Pearce, on Saturday about nine o'clock, when he fell from his saddle pony while riding about the farm. It was thought at first that he had broken his arm, but on being rushed into town, and a physician at once put the arm under the X-ray and found that it was only very badly bruised, and no bones broken. The farm is about 12 miles from Macleod, but Mr. L. Zoeteman made the trip in his car and had the boy

under the doctor's care in half an hour after the accident.

Miss Connie Reid's flower garden shows sweet peas in bloom—this is early blooming for the lovely flowers.

R. M. Reid, of the C.P.R. staff at Macleod, left on Tuesday for Macgrath, where he will relieve the C.P.R. agent at that point for thirty days.

James McFarquhar, of Toronto, brother of George McFarquhar, arrived in Macleod on Saturday night last, and will be the guest of his brother for several weeks. James McFarquhar is an old time resident of Macleod, having lived here for two years in the early nineties. He says he notes the obvious improvements in the old town since he left and states that the place looks good to him.

At the evening service of St. Andrew's Presbyterian Church on Sunday last the Rev. A. C. Wishart referred to the departure from Macleod of Mr. and Mrs. Alex. Dunn. He spoke of the long connection of Mrs. Dunn with the congregation, and of her splendid and faithful services as a member of the Choir and the Ladies' Aid. He expressed the regret of the congregation at losing such valuable workers, and wished them Godspeed, and every success in their new home at the coast, also stating that a warm welcome would be waiting for them in St. Andrew's Church if they should ever return to Macleod. Mrs. Dunn and the children left today (Thursday) for Vancouver, Mr. Dunn having preceded them a few weeks ago.

At the regular monthly meeting of the board of school trustees, held last week, the question of engaging a staff of teachers for next year was the principal business of the meeting. After full consideration of inspectors' reports and other circumstances, it was decided to re-engage the entire staff of both public and high schools. Much satisfaction is being expressed that the two principals, Miss Atkinson of the public school and Mr. Beacom of the high school, have been engaged for another year, as their duties as principals have been conscientiously carried out, bringing the schools to a very high state of proficiency and success. Macleod is fortunate in the teaching staff of the schools, as taking it on the whole it is considered one of the best in Southern Alberta.

The Macleod General Hospital Board met on Tuesday evening, Mr. J. Swinerton, chairman, presiding. The regular routine business of the month was transacted, such as reports and passing accounts for payment. The most important report was in connection with the completion of the cobble stone wall which has been built round the front of the hospital. The full length of the wall is about 350 feet, and it is built of cobble stone and cement. It stands 3 feet high with a cement coping, and there are 8 corner and gate piers four feet high. The work of building has been done by James Ringland, who is an expert in this class of work, and certainly the first-class manner in which he has done this job does him great credit, as it looks as though it would stand for centuries. A number of trees are already planted inside the wall, and when the balance of trees are planted and the grounds laid out in plots, in a year or two the Macleod Hospital will be one of the beauty spots of Macleod.

enormous cast, selected from the 1080 employees, other new features are: 180 horses in one big act, The Fex-Ton Tribe of Arabs from the Sahara Desert—their first visit to America, The Canton Troupe of Chinese Circus Artists, The Imperial Midget Family from Bavaria, Joe Martin (himself), The Giant Gorilla Man, Lotus, the only performing hippopotamus in the world, and the Famous Exclusive Al. G. Barnes Feature—40 Dancing Horses and 40 Dancing Girls, and Al. G. Barnes appears in person at each performance.

Owing to the enormous size of the circus this year, the management announces that no street parade will be given in any city visited, however, in place of the omitted procession, a mammoth Open Air Free Exhibition will take place on the show grounds at 1:00 and 7:00 p.m., immediately preceding the opening of the doors to the circus, and the largest traveling menagerie in the world, comprising over 400 rare animals from all quarters of the earth.

The circus performance starts promptly at 2:00 and 8:00 p.m. Ample parking space for autos is reserved on the show grounds and a City Ticket Office, where numbered reserved chairs may be obtained at same price charged on the show grounds, is maintained in each city.

Married people usually are happy if they agree about which one is a wonder.
